I am a single man and am unemployed living at the above address.

At approximately 01.30 hours today SUNDAY 14th NOVEMBER 1986 I together with my girlfriend Sharon FENTON, my friends NADINE, EDDIE, JACKIE and CLARK went into the Sky Blue Restaurant in Lozells Road. We just went in there for a meal. We all sat down at the back of the restaurant near to the bar.

At approximately 01.50 hours two Asian youths together with a white girl came into the restaurant. I have never seen these people before and I didn't have any idea who they could be. They came into the restaurant and walked to the back of the restaurant and sat down at the table opposite us. The two Asian youths sat on one side and the white girl sat opposite them. They did not say anything to us but just sat down at their table.

By this time we were already eating our meal and just talking amongst ourselves. We did not say anything

Further to my statement that I made on 16th November 1986 I made reference to my girlfriend Sharon FENTON.

I've known Sharon for about 10 to 12 years and have been her girlfriend for about 5 or 6 years.

I've always called Sharon by her maiden name which is FENTON.

I know her married name was BADGER but when she got divorced she reverted to her maiden name, FENTON. D Lea.
